

Inclement Weather Protocol

During the upcoming winter months, please remember our severe weather plan:

1. In the event of severe weather, a determination will be made whether to suspend the worship service by Saturday evening when possible. Otherwise, no later than 7:30 am on Sunday.
2. The cancellation will be posted on Reedvillechurch.org (our webpage) and www.Facebook.com/reedvillechurch (our Facebook page).
3. The outgoing message at the church office number (503-649-1282) will also be changed to include the cancellation.
4. If possible, an email will be sent to members and friends, and calls will be made to those not online.
5. If possible, a sign will be posted on the church door. Please use your discretion when attending any activities as conditions in the area can vary widely.
